

## GLOUCESTER MUSIC SOCIETY ACCOUNTS 2019 - 2020

### Notes

- These accounts have been prepared in the usual way in spite of the fact that the final concert for the season did not take place. This would have incurred considerable costs in fees and expenses and would have reduced our totals by over £3,000, resulting in a loss for the season. However, due to the generosity of our members, together with grants from many trusts we are in a stable financial position for when we are able to resume concerts.
- The following points should be noted.

\*Donations - these include donations by Paypal and cheque plus cash donations given at the concerts.

\*\*Charity Gift Aid - this was not included in last year's accounts so is for two years and breaks down as follows:  
2018/2019 - £562.08    2019/2020 - £555.75

\*\*\*Website costs - these are again for two years and reflect the increased cost of the annual fee which was necessary to ensure secure booking for those using Paypal plus renewal of the domain name.

AGM and Heritage expenses for the use of St Mary de Lode are included in Hire of Room.

Commission refers to the commissioning by our Society of "Soliloquy" for Maria Marchant by Adrian Williams.

Lee-Browne refund was made after payment was made twice for a subscription.

- We are grateful to Eleanor Anderson for kindly auditing these accounts.
